Hi Betsy, we had provided some materials (attached) to Doug about Anaconda in preparation for his lunch meeting last week with the Chief Executive of Anaconda Deer Lodge County. I will work with Joe and Charlie to build upon these. Do we know how much time we may have for the visit to Anaconda?

Subject: RA's Anaconda Visit Next week

Hi Joe and Robert – As you probably already know, Doug is planning on visiting Anaconda on Wednesday next week. We discussed having the two of you accompany him on the site visit.

I am not sure of the timing but I saw that Jim would like to have the Butte pre-meet at 3:30, so I suspect the site visit will be in the morning. Nevertheless, please prepare some high level materials regarding the site for Doug by noon this Thursday. Doug would like to travel with you to the site and use that time to discuss the site and answer any questions.

Any questions, let me know. Thanks
Betsy
